DETAILED ACTION

- Examiner has considered Appeal Brief mailed 11/13/2006.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Scott Garrett on 3/7/2007.

The application has been amended as follows:

1. (Original) A method for communicating among at least two devices over a data network, the method comprising:

establishing a voice communications session in a session over a data link between a first station and at least one remote station, the session operating in a first mode that is one of a simplex mode and a duplex mode;

sending a control command over the data link to change from the first mode to a second mode, the second mode being a mode different from the first mode; and

changing, while maintaining the session, the session from the first mode to the second mode; and

communicating between the first station and at least one remote station in a session operating in the second mode.

19. (Original) A computer ~~program product comprising computer programming instructions~~ readable storage medium embodying a computer program for controlling communication among at least two devices over a data network, ~~the computer programming instructions~~ the computer program comprising instructions for:

establishing a voice communications session in a session over a data link between a first station and at least one remote station, the session operating in a first mode that is one of a simplex mode and a duplex mode;

sending a control command over the data link to change from the first mode to a second mode, the second mode being a mode different from the first mode; and

changing, while maintaining the session, the session from the first mode to the second mode.

Allowable Subject Matter

2. Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: Prior art of record does not disclose, in single or in combination, sending a control command over the data link to change from the first mode to a second mode, either simplex and duplex mode, and changing, while maintaining the session, the session from the first mode to the second mode in combination with other limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
